## Narrative

Draft responses and objections to Sandhurst's second set of interrogatories.

First pass review of the documents Sandhurst produced on 02 June for responsiveness and privilege.

Load the Sandhurst 02 June production into the review platform.

Review Sandhurst's document production; call with Dana Okwuosa on settlement posture; revise the interrogatory responses; correspondence with opposing counsel on the deposition schedule.

Travel from Chicago to Columbus and return for the deposition of Sandhurst's warehouse manager.

Defend the deposition of Sandhurst's warehouse manager in Columbus.

Analysis of Pellam's damages model and the assumptions under it.

Prepare the direct examination outline for Vantridge's procurement director.

Review Pellam's supplemental production; call with the client team on the settlement range; revise the witness outline for the procurement director; correspondence with the arbitrator's office on the hearing dates; mark up the Assembled and paginate the hearing bundle for the 06 July merits hearing.

Advice to Marcus Feld on the theory the injunction application against Corvane should run on, including the inevitable disclosure question under Ohio law.

Interviews of the three Vantridge process engineers who reported to the two departing employees.

Draft the verified complaint for the trade secret claim.

Fees of Halverson Forensic Group for the forensic imaging and preliminary analysis of the three departing engineers' laptops, engaged 05 June 2026.

Transcript of the preliminary injunction hearing on 09 June 2026.

Consider the revised Phase II findings from the site consultant against the Ohio EPA disclosure obligation.

Draft the disclosure letter to the Ohio EPA on the revised Phase II findings.

Legal research on whether the 2024 arbitration agreement binds the opt-in plaintiffs who signed after the class period opened.

Legal research on the Sixth Circuit's current test for conditional certification, authorised by Dana Okwuosa on 09 June 2026.

Online legal research, June 2026 allocation for this matter.

| Matter | Matter name                       | Fee arrangement                              | Status | Closed date |
|--------|-----------------------------------|----------------------------------------------|--------|-------------|
| M-2201 | Sandhurst distribution dispute    | Hourly, rate card                            | Open   |             |
| M-2204 | Pellam Foods supply arbitration   | AFA, blended rate 525.00 for all timekeepers | Open   |             |
| M-2209 | Corvane trade secret claim        | Hourly, rate card                            | Open   |             |
| M-2213 | Redgate site environmental review | Hourly, rate card                            | Closed | 09 Jun 2026 |
| M-2217 | Ohio wage and hour class action   | Hourly, rate card                            | Open   |             |
| M-2220 | Brand licensing programme         | AFA, fixed fee 45000.00 per phase            | Open   |             |
| M-2226 | Hollowbrook facility lease        | Hourly, rate card                            | Closed | 12 Feb 2026 |
